

**Remarks**

The various parts of the Office Action (and other matters, if any) are discussed below under appropriate headings.

***Claim Objections***

The Examiner objected to claims 12 and 16, and these claims have been amended to address the Examiner's objections. Withdrawal of the objections is requested.

Claims 2, 3, 5, 7-9, 12, 14 and 21 also have been amended for consistency in spelling the word "flotation" as it is first used in claim 1.

***Claim Rejections - 35 USC § 112***

Claims 5, 10 and 11 stand rejected under 35 U.S.C. §112, second paragraph, as being indefinite. Claim 5 has been amended to depend from claim 4 rather than claim 3, as suggested by the Examiner, and withdrawal of the rejection is respectfully requested.

***Allowable Subject Matter***

The undersigned thanks the Examiner for the allowance of claims 1-4, 6-9 and 12-14, as well as the indication that claims 5, 10, 11 and 19-22 also include allowable subject matter. Claim 19 has been amended to independent form.

**Conclusion**

In view of the foregoing, the undersigned believes that the application is in condition for allowance and requests issuance of a notice of allowance.

Respectfully submitted,

RENNER, OTTO, BOISSELLE & SKLAR, LLP
